

U.S. Serial No.: 10/747,739  
Inventor: Peter William Lorraine et al.  
Title: Method for Detection of Defects in  
Anisotropic Materials

FIG. 1

U.S. Serial No.: 10/747,739  
Inventor: Peter William Lorraine et al.  
Title: Method for Detection of Defects in  
Anisotropic Materials

2/6

FIG.3

FIG.4

U.S. Serial No.: 10/747,739  
Inventor: Peter William Lorraine et al.  
Title: Method for Detection of Defects in  
Anisotropic Materials

3/6

FIG.5

FIG.6

U.S. Serial No.: 10/747,739  
Inventor: Peter William Lorraine et al.  
Title: Method for Detection of Defects in  
Anisotropic Materials

4/6

FIG. 7

U.S. Serial No.: 10/747,739  
Inventor: Peter William Lorraine et al.  
Title: Method for Detection of Defects in  
Anisotropic Materials

5/6

FIG. 8

FIG. 9

U.S. Serial No.: 10/747,739  
Inventor: Peter William Lorraine et al.  
Title: Method for Detection of Defects in  
Anisotropic Materials

6/6

FIG.10

FIG.11
